Dear Mr. Morris,

I wanted to contact you in regards to a old 16mm film that I came across when I was going through some of my grandfathers,(Bob Pond), stuff in an effort to get it ready to be given out to different clubs, organizations, and what not. While I was cataloging the library of different films that he had, I came across one that pertained to the MBBA. I am not sure exactly what is on the film but from the label on the case I can deduce it has to do with some fishing that was done with the MBBA possibly back in the 60's/70's.

It is my feeling and desire to have materials that are in direct correlation with certain clubs that they be given to them for their archives. I am sure that this film could be invaluable to your club for looking back at the generations past, if it pertains to what is labeled on the film.

Sincerely,

Paul Trost

Dear Mr. Scott Morris,

This is Adam Estes, one of the boy scouts (from troop 53 Mattapoisett) that was sponsored to go to conservation camp. I would like to thank you and the Mass. Beach Buggy Association for sponsoring me. I had a lot of fun and I learned a lot. I learned about hunting, fishing, and wildlife in general. The camp was a great experience. They taught me so much but in an entertaining and informative way. Once again, thank you.

Adam Estes
